

Natick High School After Prom Party-May 13, 2016

Dear Natick Business Owner,

This letter is to ask your help with a donation to the Natick High School After Prom Party being held on May 13, 2016. The NHS After Prom Party is a safe and all-night event that is held after the prom from midnight until 5am. The event is free for all Natick High School juniors and seniors whether or not they attend the prom. We had over 500 students attend the After Prom Party last year. We are seeking gift cards or merchandise from your business to be used as prizes for the students during the event.

We all understand the dangers and consequences of underage drinking and illegal substance abuse. Our After Prom Party provides a safe and fun environment for our students with games, food, prizes, entertainment, and lots of fun. Please consider donating an item or gift card to this event and help us keep our students safe on prom night.

Here is our tax id NHS PTSO #80-0489385.
