PhysioArts' Policies

We appreciate your consideration in choosing PhysioArts for your rehabilitation needs, and we are committed to providing you the best care possible. In order to achieve this, we need your assistance and understanding of our scheduling, cancellation and financial policies.

PHYSIOARTS SCHEDULING AND CANCELLATION POLICIES

- Please schedule your appointments in advance. Our schedule fills up quickly and we want to ensure that you get the times that you need.
- Please be timely for your appointments. We will make every effort to respect your time, and we expect that you will do the same for both your therapist and your fellow patients. In the event that you are late for an appointment, your one-on-one time with your PT will still end at the scheduled time. If you are more than 15 minutes late for an appointment, we will attempt to accommodate you later that same day. If there is no room in our schedule to do so, you will not be treated and a missed appointment fee of $40 will be applied to your account.
- PhysioArts realizes that many things arise in your busy schedules. Please give us at least 24 hours notice for cancellation or rescheduling of an appointment. Failure to comply will result in a cancellation charge of $40. If you "no-show" or "late cancel" for 3 consecutive appointments, we may remove you from the schedule.
- All scheduling and cancellations must be done in person or over the phone with the front desk. Emails and texts should not be used for scheduling or cancellations as these are not checked regularly. Your physical therapist cannot schedule or cancel appointments for you.
- All late cancellation, missed appointment or no show charges are due in full at your next visit. Your insurance company will not pay for any cancellation charges due to missed appointments. We accept Cash, Check, Debit card, Visa and Mastercard.

PHYSIOARTS FINANCIAL POLICIES

- Supplies and equipment purchased from PhysioArts as part of your treatment are not billable by PhysioArts to your insurance, including tape, therabands, ice packs, foam rollers, etc.
- A $25.00 service fee for the processing of any returned checks will be applied to your account.
- PhysioArts does not accept liens. We cannot wait for settlements of a pending lawsuit for the payment of services provided. We cannot deal with your attorney or other legal representatives for settlement.
- Unresolved financial disputes for non-payment of fees for services or equipment rendered will result in discontinuation of services, referral to another provider as necessary and possible Collection Action.
- PhysioArts reserves the right to charge interest at the legal prevailing rate and to apply late payments or service fees for multiple payment plans as necessary to manage the collection of your account.

PhysioArts will be happy to assist you with any questions you may have regarding your account. Please contact our Office Manager, Monday- Friday from 8am to 4pm.

I have read the above information and agree to the financial, scheduling and cancellation policies of PhysioArts.
